

Project Name and/or ID Number	Does the project have a page on the funding body's own web site?	ENTER HERE THE WEBSITE ADDRESS	Does the project's published protocol contain information? (at least some) YES/NO/STAGES	Is there an online page listing the open access resources to the project website or elsewhere on the web? (YES/NO/STAGES)	Does each OA resource listed here have a DOI and is it represented using appropriate standards/formats (PURL S URLS)?	Does each OA resource listed here have a DOI and is it represented using appropriate standards/formats (PURL S URLS)?	Can rating how many stars does this project merit?	If available, note the document format encountered when searching.	If available, select which reason is used in the OA network.	Any other comment	What is the best score?	Any comments?	Original score
