

Filename	File type	Description
<i>2015margarisPhD_Video - S1 - Thoracic duct straight segment - 500 fps CW.mp4</i>	MP4 Video	Video showing active contraction of a valve-less rat thoracic duct segment
<i>2015margarisPhD_Video - S2 - Valve in thoracic duct - 1000 fps CW.mp4</i>	MP4 Video	Video of flow visualization around the leaflet of a rat thoracic duct valve
<i>2015margarisPhD_Video - S3 - Mesenteric lymphatic - 500 fps PM.avi</i>	AVI Video	Video of flow visualization in a rat mesenteric lymphatic vessel during active contraction
<i>2015margarisPhD_Video - S4 - Mesenteric Valve at negative pressure gradient - 500 fps PM.avi</i>	AVI Video	Video of flow visualization in a rat mesenteric lymphatic valve during active contraction
<i>2015margarisPhD_Video - S5 - Mesenteric Valve at positive pressure gradient - 500 fps PM.avi</i>	AVI Video	Video of flow visualization in a rat mesenteric lymphatic valve during active contraction
