

## List of Figures

### Chapter 1

### Chapter 2

### Chapter 3

Figure 3.1 Photograph of 2 cards: “Mixed feelings” and “Very worried”..... 64

### Chapter 4

### Chapter 5

Figure 5.1 Ashley’s answers in all themes at the beginning and at the end.... 140

Figure 5.2 Bailey’s answers in all themes at the beginning and at the end..... 141

Figure 5.3 Cameron’s answers in all themes at the beginning and at the end. 142

Figure 5.4 Casey’s answers in all themes at the beginning and at the end..... 143

Figure 5.5 Crane’s answers in all themes at the beginning and at the end..... 144

Figure 5.6 Drew’s answers in all themes at the beginning and at the end..... 145

Figure 5.7 Wen’s answers in all themes at the beginning and at the end..... 146

Figure 5.8 Addison’s answers in all themes at the beginning and at the end.. 147

Figure 5.9 Brody’s answers in all themes at the beginning and at the end..... 148

Figure 5.10 Taylor’s answers in all themes at the beginning and at the end.... 148

Figure 5.11 Wylie’s answers in all themes at the beginning and at the end..... 149

Figure 5.12 Zaiden’s answers in all themes at the beginning and at the end.... 149

Figure 5.13 Alexis’s answers in all themes at the beginning and at the end.... 150

Figure 5.14 Blair’s answers in all themes at the beginning and at the end..... 151

Figure 5.15 Brett’s answers in all themes at the beginning and at the end..... 152

Figure 5.16 Coby’s answers in all themes at the beginning and at the end..... 153

Figure 5.17 Jamie’s answers in all themes at the beginning and at the end..... 154

Figure 5.18	Jerry’s answers in all themes at the beginning and at the end.....	155
Figure 5.19	Teagan’s answers in all themes at the beginning and at the end....	156
Figure 5.20	Averages of beginning emotional level for students with C.D. and mainstream students in relation to each theme.....	157
Figure 5. 21	Averages of final emotional level for students with C.D. and mainstream students in relation to each theme.....	158
Figure 5.22	Average extent of emotional change for students with C.D. and mainstream students in relation to each theme.....	159
<b>Chapter 6</b>		
Figure 6.1	Students’ choices in the statement “I would choose to play (positive scale) /not to play (negative scale) with these children” in the beginning of SAG sessions in spring term (primary school).....	165
Figure 6.2	Students being chosen as 1 <sup>st</sup> and 2 <sup>nd</sup> choice in the statement “I would choose to play (positive scale) /not to play (negative scale) with these children” in the beginning of SAG sessions in spring term (primary school).....	166
Figure 6.3	Sociogram based on students’ statement “I would choose to play (positive scale) /not to play (negative scale) with these children” in the beginning of SAG sessions in spring term (primary school).....	167
Figure 6.4	Students’ choices in the statement “I would choose to work (positive scale) /not to work (negative scale) with these children” in the beginning of SAG sessions in spring term (primary school).....	169
Figure 6.5	Students being chosen as 1 <sup>st</sup> and 2 <sup>nd</sup> choice in the statement “I would choose to work (positive scale) /not to work (negative scale) with these children” in the beginning of SAG sessions in spring term (primary school).....	170
Figure 6.6	Sociogram based on students’ statement “I would choose to work (positive scale) /not to work (negative scale) with these children” in the beginning of SAG sessions in spring term (primary school).....	171
Figure 6.7	Students’ choices in the statement “I would choose to play (positive scale)/not to play with these children” in the final SAG meeting in summer term (primary school).....	174

Figure 6.8	Students being chosen as 1st and 2nd choice in the statement “I would choose to play (positive scale) /not to play with these children” in the final SAG meeting in summer term (primary school).....	175
Figure 6.9	Sociogram based on students’ choices in the statement “I would choose to play/not to play with these children” in the final SAG meeting in summer term (primary school).....	176
Figure 6.10	Students’ choices in the statement “I would choose to work (positive scale)/not to work with these children” in the final SAG meeting in summer term (primary school).....	178
Figure 6.11	Students being chosen as 1st and 2nd choice in the statement “I would choose to work (positive scale) /not to work with these children” in the final SAG meeting in summer term (primary school).....	179
Figure 6.12	Sociogram based on students’ choices in the statement “I would choose to work/not to work with these children” in the final SAG meeting in summer term (primary school).....	180
Figure 6.13	Students’ choices in question 7: “Who are your favourite friends in secondary school?”.....	182
Figure 6.14	Students being chosen as 1 <sup>st</sup> , 2 <sup>nd</sup> and 3 <sup>rd</sup> choice in question 7: “Who are your favourite friends in secondary school?” .....	183
Figure 6.15	Sociogram based on students’ choices in question 7: “Who are your favourite friends in secondary school?” .....	184
Figure 6.16	Students’ choices in question 9: “Who are your favourite friends among children of the SAG?”.....	186
Figure 6.17	Students’ choices in question 9: “Who are your favourite friends among children of the SAG?”.....	187
Figure 6.18	Sociogram based on students’ choices in question 9: “Who are your favourite friends among children of the SAG?”.....	188
Figure 6.19	Sociogram based on the video recording of first session about secondary school building (exterior).....	193
Figure 6.20	Sociogram based on the video recording of second session about secondary school building (exterior).....	194
Figure 6.21	Sociogram based on the video recording of first session about relationship with peers.....	195

Figure 6.22	Sociogram based on the video recording of second session about relationship with peers.....	196
Figure 6.23	Sociogram based on the video recording of session during which Spence Test took place for the first time.....	197
Figure 6.24	Sociogram based on the video recording of first session about the new uniform.....	198
Figure 6.25	Sociogram based on the video recording of second session about the new uniform.....	198
Figure 6.26	Sociogram based on the video recording of first session about new teachers.....	199
Figure 6.27	Sociogram based on the video recording of second session about new teachers.....	200
Figure 6.28	Sociogram based on the video recording of third session about new teachers.....	200
Figure 6.29	Sociogram based on the video recording of first session about lunch time.....	202
Figure 6.30	Sociogram based on the video recording of second session about lunch time.....	202
Figure 6.31	Sociogram based on the video recording of session during which Spence Test took place for the second time.....	203
Figure 6.32	Sociogram based on the video recording of first session about new subjects.....	203
Figure 6.33	Sociogram based on the video recording of second session about new subjects.....	204
Figure 6.34	Sociogram based on the video recording of first session about secondary school building (interior).....	204
Figure 6.35	Sociogram based on the video recording of second session about secondary school building (interior).....	205
Figure 6.36	Sociogram based on the video recording of final session in Primary School.....	205
Figure 6.37	Sociogram based on the video recording of first session in Secondary School.....	207
Figure 6.38	Sociogram based on the video recording of second session in Secondary School.....	208

Figure 6.39	Sociogram based on the video recording of third session in Secondary School.....	209
<b>Chapter 7</b>		
Figure 7.1	Averages of emotional level for students with C.D. and mainstream students.....	246
<b>Chapter 8</b>		
Figure 8.1	Averages of emotional level for 2 subgroups of students.....	273
<b>Chapter 9</b>		
<b>Chapter 10</b>
